S. 5800--A 2

1-b. The state board of elections shall establish and host an educa-tion and training institute which shall be responsible for the develop-ment and implementation of a statewide program wherein persons can become certified poll worker trainers. This institute shall also create a train-the-trainer program, in order for county boards of elections to implement an effective training program at their respective local level of program delivery. The state board's trainers shall include in the trainer curriculum to be developed, attention to, inter alia, poll work-er ability to serve a diverse electorate with complete confidence and respect; professionalizing the delivery of all election day services; providing assistance to voters with disabilities and those with limited English language proficiency, ensuring the dignity and privacy of such individuals; and to individuals who are members of racial or ethnic minorities, complete familiarity and comfort with all voting systems in use in poll sites, including ballot marking devices or other systems/services available to voters with disabilities; and poll worker ability to recognize and resolve a variety of issues which may arise in poll sites. The state board's trainers and all certified poll worker instructors shall utilize industry-proven training techniques aimed at adult learners including role-based training and hands-on training opportunities using official election day forms and poll site voting systems and may further include a web-based component and companion video.

1-c. County boards shall enroll trainers in the program in such quantities to ensure that an adequate contingent of fully trained and certified poll worker trainers are available to meet the training needs of such county. Each county board of elections shall enroll not less than two persons designated by the county board on a bipartisan basis, in the state board of elections training institute. Certified trainers must maintain their certification by attending once every two years, a continuing education program, to ensure the professionalism of the poll worker training agenda set by the state board of elections. Enrollees who have successfully completed the state board's training program and been awarded a "certified poll worker instructor" certificate may serve at the county board as a trainer of poll workers as well as a trainer of other bi-partisan designees of the county board, however the conferring of the title "certified poll worker instructor" may be made only by the state board of elections.

1-d. The state board of elections shall adopt such rules and regulations which may be necessary to create the training institute and associated curricula provided for in subdivisions one-a, one-b and one-c of this section, including a process whereby attendees who successfully complete a state board-sponsored training program shall be awarded a certificate conferring upon him or her, the title of "certified poll worker instructor".

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amend-ment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date.
